Galvanized Steel Scaffolding Coupler For Secure Building Structures

Our Product Introduction

Basic Information

- Place of Origin: china tianjin
- Brand Name: scaffolding coupler
- Certification: SGS
- Model Number: BT205
- Minimum Order Quantity: 1000
- Price: 8.5-15.8
- Packaging Details: In bundles
- Delivery Time: 15-25
- Payment Terms: TT/TC

Product Specification

- Color: Silver
- Application: Construction
- Material: Steel
- Name: Scaffolding Coupler
- Package: Container
- Standard: EN74-1
- MOQ: 1000
- Surface Treatment: Galvanized
- Highlight: **Secure Building Structures Scaffolding Coupler** , **Galvanized Steel Scaffolding Coupler**

Product Description

Product Description:

The Scaffolding Coupler complies with the EN74-1 standard, ensuring that it meets the highest quality standards. This product is made from high-quality materials, ensuring its durability and strength. Its high-strength characteristics make it ideal for use in heavy-duty construction projects.
The MOQ for the Scaffolding Coupler is 1000, making it an ideal choice for large-scale construction projects. It is recommended to use this product in conjunction with other scaffold connection tools, such as clamps, to ensure the stability and safety of the structure.
Whether you are constructing a building, bridge, or any other structure, the Scaffolding Coupler is an essential tool for ensuring its safety and stability. Its high-strength characteristics make it ideal for use in heavy-duty construction projects.

Features:

Product Name: Scaffolding Coupler
Surface Treatment: Galvanized
MOQ: 1000
Name: Scaffolding Coupler
Material: Steel
Feature: High Strength
Used as British Scaffold Fixtures
Also known as coupler scaffolding or British Scaffold Tube Clamps

Technical Parameters:

Name:	Scaffolding Coupler
Surface Treatment:	Galvanized
Package:	Container
MOQ:	1000
Application:	Construction
Material:	Steel
Feature:	High Strength
Color:	Silver
Standard:	EN74-1
Keywords: Scaffold Beam Connectors, British Coupler Manufacturers, BS1139 Standard Couplings
